## It's Nicola T topless!

**Celeb Big Brother babe treat!**

**Y**ou normally have to wait for *Big Brother* contestants to be evicted from the house before Davina McCall treats us to their "best bits" – but in the case of the rather lovely Nicola T, we're going to beat old motor-mouth to it!

That's because the 27-year-old Bromley babe's best bits consist of a splendid pair of perfectly formed 32DD boobs and the sort of body you could never get bored of. As the charming Nicola herself once admitted, "If you have it, you might as well flaunt it!" ➔

"Did you  
deliberately  
get me a small  
jacket?"

The busty beauty did all British blokes a favour when she left her bank job to pursue a modelling career at the age of 20. Nicola revealed, "I was bored out of my mind – now I can hardly believe how exciting my life has become!"

One person who clearly appreciated her career change was ex-boyfriend Bobby Zamora. The Fulham striker was so obsessed with Nicola's assets, he paid to have a photo of them blown up and mounted on his bedroom ceiling!

Sadly, since she's been in the *Celebrity Big Brother* house, Nicola has kept herself wrapped up warm, and most notable contributions so far have been whacking Vinnie Jones in the "Niagaras" with a water balloon, making a snowman with Lady Sov and parading in her bra once in the bedroom. But, with Sisqo's help, we're sure it won't be long before she's stripped down to just her thong, thong, thong, thong, thong. Fingers crossed, eh! ■

SOPHIE HOWARD PRESENTS...

# VERY BIG BOOBS!

It's a bonanza of buxom beauties!

**W**inter may be good for snowball fights and all-day sessions in the boozier, but for boob-spotting it's about as handy as a Zippo underwater.

But fear not because here at *Nuts*, we're experts in the ancient art of boob-charming. Which means no matter how foul the

weather is, we can still encourage bouncing beauties out into the open. And not just any old bouncing beauties but the biggest on the planet – as proved here!

All you have to do to enjoy this wondrous winter warmer is turn the page and brace yourself for an avalanche of very big boobs! ➔

## VERY BIG BOOBS

"Can you hold one of these while I brush my hair?"

# SOPHIE HOWARD!

**H**i Sophie! Are you excited to be presenting our Very Big Boobs special? I'm super-excited. I'll never get bored of boobs!

**If we crowned you Queen of Boobs, what boob-related laws would you bring in?** I'd have a policy whereby girls have to show off their boobs before blokes get it on with them. There are all these tricks, such as Wonderbras and chicken fillets, to deceive men into thinking girls have nice boobs when they don't. With my policy, nobody would get messed around.

**Who has the best boobs you've ever touched?** That's a toughie but overall, I'd say Eva. Her boobs are bloody great! As Boob Queen, I'll demand she lets me have a full-on grab every day in 2010. Otherwise, I'll send her to the Tower!

**Are there any golden rules for caressing a lady's boobs?** You don't want to be too rough, but being too soft can be even more annoying. At least if you're too rough, you'll get some kind of reaction, which is better than having her fall asleep!

**Can you tell us a secret about Sophie Howard that nobody else knows?**

It's not really a secret, but I haven't had a boyfriend for years. So I'm on the look-out for a boy, girl – anyone who'll take me! I hope people see this and write in to date me.

**If there was a World Cup of boobs, would you captain England?** Of course! I'd be a harsh task-master, though. I'd enforce whips and crops. There would be no slacking!

**Finally, are your boobs still growing?**

It's all to do with what I eat. If I eat a lot of burgers, they get bigger. And after the Christmas break, they were absolutely massive! ➔

# PETA TODD!

**H**i Peta! Welcome to our Very Big Boobs special. Have your boobs ever slipped out when you didn't want them to?

Yes, when I was playing beach volleyball in Brighton. As I dived to return the ball, one of my boobs popped out of my top, giving the crowd of spectators a bit of a treat.

**Crikey! You used to be a hairdresser. Did your presence boost the profits?**

Ha-ha! Probably. I think some men only came in to have me wash their hair, because I had to lean forward to lather up the shampoo!

**It's the World Cup this year. Who's your favourite England player?** I find them all mildly irritating. I met Fabio Capello and Rio Ferdinand at a military awards ceremony recently. It was strange as between the pair of them, I think they could only speak a few words of English!

**You've cycled to raise money for Help For Heroes – does that mean you're pretty fit?** Yeah. And I've just come back from walking up Kilimanjaro. It took me five days to walk up and five days to walk down. On the way up, I had such bad altitude sickness, I threw up!

**Do you think 2010 is going to be another great year for boobs?**

Of course! With all of us girls just getting bigger and better, there's even more to look forward to.

**Finally, if your boobs could talk, what would they say?** How do you know they don't already talk? They tell me to wear more clothes because they're cold and tired of being all stiff. It takes a lot of effort to keep them looking this good! ➔

MORE CLOTHES!"**

# LINDSEY STRUTT!

**H**i Lindsey! How would you rate your boobs out of ten? Oh, let's be honest – I'd give them a ten! They're OK, aren't they?

**They're better than OK! Tell us something we don't know about your boobs.** I love it when I lie in the bath and my boobs are the only things that float. I don't think they'd save me from drowning in the ocean, but they'd definitely save me in the bath. Ha-ha!

**If you had to have a new pair of boobs, would you go for natural and small, or big and fake?** That's a really tough one. I don't mind fake boobs but I think if I had the choice, I'd go for small and natural.

**Can you write a poem about your boobs?** They're big and squidgy and so much fun... Erm, I can't think of anything to rhyme, so you'll have to make do with that.

**If you were a man, would you prefer big-boobed ladies?** Oh, without a doubt. I think I love boobs as much as men do. I just love big boobs. Big, bouncy, natural boobs!

**Your fans call you "The Strutter". Do you like it?** I love it! Everyone calls me it – even my mum and dad. My other nickname is "Boobs". Everyone calls me that. "Alright, Boobs? How you doing?"

**Really? How did they come up with that one?** I have no idea! Ha-ha!

**Who would you kiss, marry or slap out of Gordon Ramsay, Jeremy Clarkson and Frankie Boyle?** I'd slap Gordon Ramsay, marry Jeremy Clarkson and kiss Frankie Boyle – he's funny. Why would I slap Gordon Ramsay? I just hate the way he shouts at everybody. It's uncalled for and not fair!

**Finally, do you reckon you could hide a squirrel between your cleavage?**

That would depend on how big the squirrel was. If it was a normal one and didn't have one of those big, overgrown tails, I definitely could. It's all about the bushy tail! ■

She managed to hold the giant lemon back for hours

# KATIE-MARIE CORK!

**H**i Katie-Marie! Which of the girls  
here today has the best boobs?

Definitely Sophie. The word  
I'd use to describe them is  
"perfection". They're just really  
nice, big and juicy. Could I get my  
head between them? I'd probably  
drown in boobs! It would certainly  
be a good way to go, though.

**Apparently, beer makes boobs grow.  
Is that true and can you down a pint?**

I've never heard that, but I'll try it  
and let you know. I doubt I could  
down a pint, though. I'm a bit of  
a wuss when it comes to drinking.

**Tell us something about yourself  
that would shock our readers.** I'm  
addicted to pickled onions! I could  
eat a jar a day, easy. If you see me  
in a bar and want to chat me up,  
just offer me a jar of pickled onions.

**Fair enough! If you could be an  
animal for a day, what would you  
be?** A pig. I'd just roll around in the  
mud all day, eating everything in  
sight. As I'm so skinny, it would  
feel really funny to be a fat porker.  
Plus, they're pink and I love pink.

**You've convinced us. Do you believe  
in aliens?** No, because I've never  
seen one. I think if they did come  
down to earth, they'd look a bit  
like me. I reckon I'm an alien!

**Er, OK. Are England going to win  
the World Cup?** No, Portugal are.  
I'm half-Portuguese, so I always  
follow them in tournaments and  
not England. I'm really sorry!

**You will be when we knock your  
winky bloke out in the quarters.**

**Finally, big boobs have a habit of  
slipping out – when was the last  
time this happened to you?** I make  
sure my boobs are well strapped  
in, so the only time they slip  
out is when I want them to –  
namely, in the bedroom!

**"SOPHIE'S  
BOOBS ARE BIG  
AND JUICY!"**

"Kitty Lea? Yeah,  
she's thatta way"

VERY BIG BOOBS

"Er, I think our  
knickers are  
tangled up"

# KITTY LEA!

**H**i Kitty! How would you rate yourself out of ten in the boob stakes? Nine, because there's always room for improvement.

**Not in your case, Kitty! What the heck would you change?** They could always be a little bit bigger, so there's more to play with.

**Yipes! Have your boobs ever slipped out in public?** Yes. The other day, I was returning some unwanted Christmas presents and when I bent down to pick up a bag, one of my boobs popped out. It gave the dads in the queue a treat.

**You've done some acting – would you do a sex scene with another girl?** Absolutely. We could strip naked and make a movie like *Paranormal Activity*, but without the demons and hauntings. It would be great!

**What else have you got planned for your boobs in 2010?** For the time being, I'll just wrap them up in woolly jumpers, as it's so cold. I'll still sleep in the nude, though.

**Finally, if you could have a very big something else, what would it be?**

A penis. Or maybe a pet whale! ➔

"Bend over and  
I'll take your  
temperature"
